

IGNATIUS NIGHT AT THE MOVIES
PRESENTS
BERNADETTE

In commemoration of the **150th anniversary of the apparitions at Lourdes, France**, Ignatius Press released in 2008 this beautifully re-mastered, wide-screen version of **BERNADETTE** as part of the popular **Ignatius Night at the Movies** program that hundreds of parishes, shrines, schools and universities across the United States and Canada have already participated in. This is a marvelous opportunity to partner with Ignatius Press in showing on your own “Big Screen” the incredibly beautiful movie, **BERNADETTE**.

Ignatius Press, one of the world’s leading Catholic publishers, is pleased to offer the beautifully re-mastered DVD version of this exceptionally inspirational film as part of this exclusive **Movie Night** package and as an excellent means of **whole-community catechesis and entertainment** as well as a superb **fundraising tool**.

You can once again, or for the first time, be a part of this incredible opportunity to reach out to and spiritually inspire fellow parishioners, students, and the surrounding community by teaching the truths of the Catholic faith, and getting up close and personal with this beautiful and holy saint.

BERNADETTE, filmed on location in France, was selected to be the movie shown daily at Our Lady of Lourdes Shrine in France.

This two-hour Jean Delannoy feature film starring Sydney Penny, with its exceptional cinematography and beautiful music score, will move and awe the viewer with the simplicity, spirituality and faith of the young Bernadette. This movie invites the viewer to experience the early life of this beautiful saint, through the apparitions and up until the time she entered the convent of the Sisters of Nevers.

This DVD offers the option of watching the movie in the original English or in the original French version (available for the first time) as well as with subtitles in English or Spanish. You may simply select which option you prefer for your Movie Night presentation from the DVD’s on-screen menu.

Please take a few moments to check out our special **Ignatius Night at the Movies** website, www.ipmovienights.com, to learn more about this outstanding film, and to see why we are so thrilled about this incredible **Movie Night** package and your opportunity to spread the news! **A clip of this movie is also available for viewing on the website.**
