*PAUL: CONTENDING FOR THE FAITH*

Ignatius Press is pleased to offer this marvelous opportunity for you and your parish, shrine, university, school or conference center to partner with Ignatius Press in the North American special **Ignatius Night at the Movies** program featuring *PAUL: Contending for the Faith*.

Ignatius Press, one of the world's leading Catholic publishers, is delighted to offer the DVD version of this incredibly exciting and informative film, as part of this exclusive **Movie Night** package and as an excellent means of **whole-community catechesis and entertainment** as well as a superb **fundraising tool**.

*PAUL: Contending For the Faith* is part of the popular **FOOTPRINGS OF GOD** adventure/documentary film series available exclusively through Ignatius Press and is now part of this select **Movie Night** package.

This package is part of the highly successful **Ignatius Night at the Movies** program that hundreds of parishes, shrines, schools and universities across the United States and Canada have already participated in.

You can once again, or for the first time, be a part of this unique opportunity to reach out to and spiritually inspire parishioners, students, and the surrounding community by teaching the truths of the Catholic faith, and educating about the life and events surrounding this incredible saint. You will be able to present this amazing film on the "Big Screen"—right in your own church or school.

This major production, part of the most original and dynamic video series in Catholic Church history, is skillfully filmed on location and depicts the extraordinary life and times of the Apostle Saint Paul.

**Stephen Ray**, best-selling author, popular Bible teacher and Catholic apologist, beckons his viewers to follow him on a breath-taking adventure that reveals how Saul of Tarsus, a murderous Pharisee and persecutor of the early Christians, had his world spun upside down when he was knocked from his "high horse" and humbled by the hand of God! You'll get up close and personal with the life, ministry, and sufferings of the Apostle Saint Paul as you travel with Steve through Israel, Syria, Turkey, Greece and Italy and experience that blinding fall from the horse; dangle over the Damascus Wall in a basket; cling to driftwood in the sea; and stride along ancient Roman roads!

The feature running time of this DVD is 90 minutes. There is an additional 30 minutes of "Behind the Scenes" footage, "Bloopers," and an exclusive interview with Roy Schoeman, author of *Salvation is From the Jews*. It is filmed in English and offers the option of subtitles in English and Spanish. You may simply select which options you prefer for your Movie Night presentation from the DVD's on-screen menu.
