Ignatius Press is pleased to offer this incredible opportunity to partner with Ignatius Press in showing on your own “Big Screen” the beautiful and inspiring movie, *THE PASSION OF BERNADETTE*, as part of the highly successful **Ignatius Night at the Movies** program that hundreds of parishes, shrines, schools and universities across the United States and Canada have already participated in.

Ignatius Press, one of the world’s leading Catholic publishers, is pleased to offer the DVD version of this incredibly inspirational and moving dramatic motion picture as part of this exclusive **Movie Night** package and as an excellent means of **whole-community catechesis and entertainment** as well as a superb **fundraising tool**.

You can once again, or for the first time, be a part of this incredible opportunity to reach out to and spiritually inspire fellow parishioners, students, and the surrounding community by teaching the truths of the Catholic faith, and experiencing the life of this passionate saint.

THE PASSION OF BERNADETTE, filmed on location in France, is the inspiring sequel to the best-selling *BERNADETTE*.

This hour-and-forty-six-minute feature film, starring the incredible Sydney Penny, will captivate the viewer with the “rest of the story” about this inspiring young saint. The story begins after the Marian apparitions at Lourdes as Bernadette enters the convent of the Sisters of Nevers, dedicating her life to God. Enduring ill health and the harshness of others, she remained cheerful and devout until her death at the age of 35 in 1879. Her body was found to be incorrupt when exhumed years later and resides to this day at the chapel of the Sisters of Nevers.

This DVD offers the option of watching the movie in either the English or French versions as well as with subtitles in English or Spanish. You may simply select which option you prefer from the DVD’s on-screen menu for your Movie Night presentation.

Please take a few moments to check out our special **Ignatius Night at the Movies** website, www.ipmovienights.com, to learn more about this outstanding film, and to see why we are so thrilled about this incredible **Movie Night** package and your opportunity to spread the news! **A clip of this movie is also available for viewing on the website.**
