

PRESENTS  
**HONORING THE PRIESTHOOD**  
*A Special Event for the Year of the Priest*

In honor of this **Year of the Priest** announced by Pope Benedict XVI and in commemoration of the **150<sup>th</sup> anniversary of the death of St. John Mary Vianney, the Holy Curé d' Ars**, Ignatius Press is pleased to announce a very special program now available to parishes, schools, and organizations.

**HONORING THE PRIESTHOOD** is an entertaining, enlightening, and enjoyable combination of film presentations, talks, and supporting products all designed to highlight the vocation of the priesthood as well as some of the extraordinary men who have graced the office, and to offer an eloquent means of honoring your own parish priest and other priests in your community.

This is also a marvelous opportunity to partner with Ignatius Press, one of the world's leading Catholic publishers, in presenting two exceptionally inspirational films as part of this exclusive **Special Events** package as well as providing attendees with the opportunity to purchase superb faith-building products. As a special thank-you for hosting this event, Ignatius Press will provide a generous profit on products sold.

The two films Ignatius Press will provide *absolutely free* for your **Special Events** presentation are the DVD versions of: **FISHERS OF MEN** and **WITH GOD IN RUSSIA**.

**FISHERS OF MEN** is a film to renew priests in their vocation and to encourage them to invite other men to pursue the priesthood. This is a fast-paced video that reveals the many facets of a priest's daily life and demonstrates why only real men should become priests. This short, but powerful film has been instrumental in convincing even non-Catholics of the importance of the priesthood. This DVD comes with an 8-page booklet highlighting an overview of the film, discussion questions, and questions for priests.
