Pope John Paul I
The Smile of God

An outstanding new feature film on the beloved John Paul I, whose brief papacy lasted only 33 days but beautifully bridged the epic papacies of Paul VI and Pope John Paul II. Pope John Paul I is remembered for his infectious smile, his warm personality and his humble pastoral style.

This inspiring full length film captures not only the significance of his short papacy, but also tells the story of his whole life leading up to his papacy, a life marked by deep faith and heroic charity. It shows how his life of great dedication to the church and the needs of all his flock over many years prepared him well for his election to the papacy. It also tells the little known but dramatically true story of how Sister Lucy of Fatima had a prophetic insight that he would become Pope and that his papacy would be very short, which she revealed to him in a personal meeting in 1977 when he was a Cardinal. In Italian with English and Spanish subtitles.

The Gardener of God

This film tells the inspiring story of Gregor Mendel (1822 – 1884), who is considered the father of the modern genetics, a science that changed the world. He was a Catholic priest and Augustinian monk who lived in the 19th century in the Austro-Hungarian Empire.

Starring Christopher Lambert as Mendel, the movie reveals how he combined his vocation as a priest and training as a scientist to impact the world by courageously following his passion for the truth. From the beginning he realized that his great scientific discovery could be used in a wrong way, and he sought the help of a benefactor and good friend, the princess Hanna von Limburg, who supported him in his work and vocation, and helped spread the knowledge of his discovery around the world.

Mendel was a man of contemplation and of action, a dedicated priest and visionary scientist who is an important witness for contemporary society on how faith and science are not in conflict with each other. Mendel also struggled to change the fiscal policy applied to the monasteries in his country and even asked for the Pope’s help on this issue.

The film tells how he was invited by Pope Pius IX to the Vatican where they shared their views about science and faith, and how they are related. The Pope recognizes the important scientific contribution of Father Mendel, and speaks the prophetic words to him, “Father Mendel, your discovery will survive you and it will survive all of us”.

Religious Mysteries Volume Two

This is the second film in the documentary series that presents investigations into intriguing mysteries connected with the stories of famous Catholic saints, apparitions, and holy places, and the amazing findings from these studies. This DVD includes three separate films. Running time, 50 minutes per film.

The Road to Compostela
The fascinating story of St. James, the first martyr among the Apostles whose remains were brought to the coast of Galicia. This film also tells the story of the famous ancient pilgrimage route to the Shrine of St. James in Compostela, Spain. It is still traveled today by huge numbers, not only by Christian pilgrims motivated by faith in God, but also by those who love mystery and nature, and may be seeking answers to the meaning and challenges of life.

The Houses of the Virgin Mary
The amazing story of the discovery of the house of the Blessed Virgin Mary in Ephesus, according to the visions of the German mystic Anne Catherine Emmerich. This film also explores the mysteries and legends related to the Holy House of Loreto, and the Tomb of the Blessed Virgin Mary in Jerusalem.

Children of the Prophecy
The story of the most prophetic apparitions of Mary in the last century, and the many mysteries linked to the visions of Our Lady of Fatima by the three shepherd children in 1917. This film contains many extraordinary images connected with Fatima, including the cloistered convent in Coimbra where Sister Lucia lived, the only one of the seers still living until 2005 when she died two months before Pope John Paul II.

The Why? Course
Welcome to the Why? Course, a three part introduction to the Catholic faith that is ideal for parishes, schools, study groups, colleges or personal study.

In three engaging, thought provoking 25 minute episodes, it looks at some of the most important and intriguing questions human beings have ever asked, and explores the three vital questions the course is built on: Why God? Why Christ? And Why the Church?

This beautifully shot film uses some of the world’s most beautiful art and nature scenes to produce an exciting and entertaining presentation featuring Catholic leaders, priests and teachers. In our world of unprecedented scientific and technological progress, people still ask the same basic questions they always have which this series explores: Who are we? Where do we come from? and perhaps most importantly, why are we here?

The Why? Course supports:
• initial evangelization • refresher courses for Catholics • returning Catholics • discussion groups in parishes and schools • First Communion parents • Confirmation preparation • introductions to in-depth courses

The Why? Course provides references to Scripture and the Catechism of the Catholic Church for further reading, and is a response to the call for a new evangelization to share the Faith in the modern world.

Solanus Casey  
*Priest, Porter, Prophet*  
This extraordinary film explores the heroic life of a remarkable, modern day mystic, Father Solanus Casey, who was relegated to doing little more than being a simple doorman in his monastery. But God would transform the role his superiors assigned him, appointing it a far greater significance to be continued even beyond his earthly life, that of prophet, healer, and intercessor. 

Known as a wonder-worker and a powerful instrument of divine healing and hope, he touched countless lives. His unerring attention to the sick and poor, combined with his prayers, wise counsel, and burning faith brought an unprecedented outpouring of grief at his death in 1957. More than 20,000 people attended the funeral of this selfless American-born priest. 

As a part of his canonization process, the exhumation of his body in 1987 revealed him to be “remarkably intact, and well preserved,” seemingly defying corruption. One eyewitness was astonished to see a tiny glimpse of Fr. Solanus’ piercing blue eyes again after being buried for 30 years!

A gripping story of this priest’s simple and unshakable faith in God’s goodness unfolds through interviews with his friends, colleagues, eyewitnesses, biographers, and those direct recipients of his healing and prophecy. Rare, never-before-seen film footage and historical photographs are included with actual footage from the exhumation of this exemplary Servant of God.

Saint Maria Goretti  
*Fourteen Flowers of Pardon*  
This is the true story of a young virgin’s ultimate act of love. On her deathbed, eleven year old Maria Goretti forgave Alessandro Serenelli, the man who mortally stabbed her because she resisted his attempted rape. Alessandro was sentenced to 30 years in prison for murdering Maria. After eight years in jail he had no remorse. But eventually he converted after Maria miraculously appeared to him in a dream.

Shot on location in Italy, this moving account takes you on a historic and poignant journey through the life, martyrdom and canonization of the Roman Catholic Church’s youngest saint, Maria Goretti. Maria’s life and martyrdom in Italy’s Pontine swamps at the beginning of this century comes to life through historic photographs, interviews with the saint’s mother and never seen before film footage of the canonization ceremony.

Saint Maria Goretti understood the connection between God’s mercy and rejecting the bitterness of vengeance through her fourteen flowers of pardon.

“In Maria Goretti shines out the radical choice of the Gospel, unhindered, indeed strengthened by the inevitable sacrifice that faithful adherence to Christ demands. I am especially holding up this saint as an example to young people who are the hope of the Church and of humanity.”

Father Clemente Vismara One Life is Not Enough
The extraordinary story of Catholic priest and missionary, Blessed Clemente Vismara, is told in this compelling documentary. For an astounding 65 years, Father Vismara served the people of Myanmar (formerly Burma). In a culture where children were often abused, abandoned, or sold, Vismara established orphanages to feed, clothe, and educate children who otherwise would have faced a life of suffering. Not only did Vismara aid Burmese children, but he also founded several thriving industries and trained local inhabitants in skills that led to rewarding employment. Vismara’s work had a radical impact on Burmese culture and won many converts in this overwhelmingly Buddhist country. After his death at age 91, reports surfaced about miracles attributed to his intercession. Father Vismara was beatified in June, 2011.

It is World War II and Father Cortese plays a vital role in an underground resistance network ultimately responsible for saving hundreds of lives. Using a secret Vatican fund, Cortese rescued Jews, Slovenians, Croatians, and Americans from the hands of Italy’s Fascist regime and from their Nazi allies. This documentary tells the story of their heroic efforts and of Father Cortese’s disappearance. Through extraordinary eyewitness accounts and official records, we learn about the young priest’s abduction by the Gestapo and of Father Cortese’s refusal, in the face of brutal torture, to name his collaborators.

The Pink Room
The Pink Room tells the story of Mien and other young girls who have been victimized in the unspeakably dark world of child sex slavery. Mien grew up in Svay Pak, Cambodia, a small village notorious for one thing: the trafficking of children. At a young age Mien entered life in a brothel, and her virginity was sold for a high price. Held hostage and raped daily by eager pedophiles, Mien’s sense of self-worth is diminished with each customer. But this is not just a story about the problem. The Pink Room, a powerful, multi-award winning film is an inspiring story of restoration as ordinary people become heroes, lives are mended, and Cambodians rise up to take back their country. In a world where it is estimated that over one million children are held captive and sexually abused, a flower blooms in the heart of Cambodia. A gripping story with a strong, heart-warming resolution.

PovertyCure
Three years in the making, this high-energy, six-part documentary series challenges conventional thinking and reframes the poverty debate around the creative capacity of the human person, made in the image of God. Listen to the voices of entrepreneurs, economists, political and religious leaders, missionaries, NGO workers, and everyday people as host Michael Miller travels around the world to discover the foundations that allow human beings, families, and communities to thrive. This widely acclaimed series focuses on the key question, How do people create prosperity for their families and their communities? The purpose of this series is to encounter our brothers and sisters in the developing world not merely as people in need, not as aid recipients, not as charity projects, but as human beings created in the image of God and endowed with His divine creative spark.

POPE FRANCIS

Conclave
How a Pope is Elected
How is a Pope elected? This new film gives the answers and introduces us to the extraordinary atmosphere of the Conclave. It begins with the surprise announcement of Pope Benedict’s resignation, and some interpretations and commentary on the pontificate of Benedict by Vatican observers. Then the intricate electoral proceedings for the Conclave are presented, which are the result of two thousand years of supernatural wisdom and human experience. It goes back to the origins of the papacy with historical highlights of the succession from Peter to the 2013 Conclave and surprise election of Pope Francis. It concludes with a discussion of the challenges and opportunities facing the new Pope.

Pope Francis
Our Brother, Our Friend
Personal Recollections about the Man Who Became Pope
Edited by Alejandro Bermúdez
This fascinating new look at Pope Francis presents the personal insights of ten Jesuits, many who have known him since his first days as a Jesuit, and were interviewed for this book shortly after he was elected the Pope. Some were his professors, some his peers, and some younger Jesuits who were his students. Also interviewed for this book are non-Jesuits, including an Argentine senator, a prominent rabbi, a priest working in the slums of Buenos Aires that Bergoglio often visited. These interviews essentially transmit a mosaic that reveals little-known insights of the pontiff’s personality, of his interior world, his human abilities, his work habits, his devotions, his concerns, and his friendships. Thus, they open a fascinating door to a better understanding of the man whom the Holy Spirit has elected to lead the Church at this time.

The Light of Faith
Lumen Fidei
Pope Francis
Faith is the means by which man encounters the living God through Jesus Christ in the Holy Spirit. Francis draws on key themes of his predecessor, Pope Benedict XVI, who wrote encyclicals on charity and hope. He intended to complete the set with a reflection on faith, which would also have underscored the Year of Faith that he launched. Benedict’s history-making retirement meant he was unable to finish his encyclical. Francis took up the task, adding his own insights, themes, and emphases to the work begun by Benedict XVI.

Francis
Pope of a New World
Andrea Tornielli
This complete biography offers the keys to understanding the man who was a surprise choice, even a kind of revolutionary choice, for pope. It is the story of the humble pastor of one of the world’s largest archdioceses; a cardinal who takes the bus, talks with common folk, and lives simply. It is the story of why the cardinal electors of the Catholic Church set aside political and diplomatic calculations to elect a pope to lead the renewal and purification of the worldwide Church of our time.

**Popiełuszko Freedom is Within Us**
This is the stirring, powerful true story of Blessed Jerzy Popiełuszko, the courageous young priest martyr who became the chaplain and spiritual leader of the large trade union in Poland, Solidarity, in the 1980s. An ordinary young priest in many ways, Fr. Jerzy was a beacon of hope in those dark days and his message of truth was devoured by the Polish people after 40 years of oppression. Thousands came from all over Poland to hear him speak and every month the crowds grew, bringing the Secret Police closer to his door.

He was harassed, threatened, and imprisoned, but he would not be silenced. His friends suggested that he leave Poland for his own safety but he replied “my place is with the people” and “I am ready for anything.” On October 19, 1984, three Communist agents kidnapped Father Jerzy and he was viciously beaten, bound, and thrown into the Vistula River.

A priest greatly revered by the Polish nation, over 700,000 attended his funeral, and a national shrine at his grave in front of his parish church in Warsaw is visited by a million people yearly. He was beatified in 2010. Polish with English and Spanish subtitles. Includes collector’s companion booklet.

**Pius XII Under the Roman Sky**
Based on Vatican documents and personal testimonies used for the cause of Pope Pius XII, this powerful movie depicts the great, often hidden struggle waged by the Pope and many others with him to save the Jews from the Nazis during WWII. Hitler and the Pope—one side the man who catapulted the whole world into war and, on the other, the man who, more than any other, fought for peace. Despite all his efforts, Pius XII is not able to prevent some of the horrors that take place in Rome when over a thousand victims are deported to Auschwitz. But history testifies that over 10,000 Jews were saved, hidden in churches and convents in Rome—more saved than in any other occupied city.

Mother Teresa
This powerful and moving film is considered the definitive portrait of Mother Teresa. Shot on the run over a period of five years in ten countries on four continents, this award-winning film follows Mother Teresa into the world’s most troubled spots. Experience how Mother Teresa transcends political, religious and social barriers with her works of love based on a deep faith in Christ.
James Mason, Anthony Quinn and many others.

The Gospel of John
Narated by Christopher Plummer, this is the bold and powerful story of Jesus as told by his disciple John. Based on the Good News Bible, it stars Henry Ian Cusick (of TV’s “Lost”) as Jesus. Intimate and reflective, The Gospel of John offers an unparalleled opportunity to experience the incomparable life and times of Jesus Christ. (One erroneous and disappointing scene in this generally excellent film depicts Mary Magdalene present at the Last Supper.)

Lost Gospels or False Gospels?
Recent media stories and certain best-selling books have alerted the public to alternative writings about Jesus, leading many people—including many believers—to wonder why we should consider only the four New Testament gospels as “gospel truth.” The alternative writings about Jesus bear the names of such prominent early Christians as Peter, Thomas, Mary Magdalene, Judas, James, and Andrew. Are these works “lost gospels” or “false gospels”? Featuring: Jesus Father Mitch Pacwa, Dr. Craig Evans, Dr. Ben Witherington, Dr. Timothy Gray, Dr. Edward Sri, Dr. Amy-Jill Levine, Dr. Craig Blomberg, Dr. Ben Hussey, Laurence Olivier, Robert Powell, Olivia Hussey, and many others.

Did Jesus Really Rise from the Dead?
Skeptics have long tried to show that there was no Resurrection. Did Jesus Really Rise from the Dead? carefully scrutinizes the historical evidence. Top scholars and biblical historians critically examine alternative explanations. In the end, they show why it is a matter of sound reason as well as faith to affirm what the early Church proclaimed: Jesus is risen. Featuring Jesus Father Mitch Pacwa, Johnnette Benkovic, Craig Blomberg, PhD, Craig Evans, PhD, Tim Gray, PhD, Gary Habermas, PhD, Edward Sri, PhD, Roy Schoeman, Jesuit Father Ronald Tacelli, Ben Witherington III, PhD.

The Early Christians
The blood of the martyrs was the seed for new Christians. But after the persecutions of the Romans and the barbarian invasions came another grave danger for the new religion: heresies... They would not be lethal. On the contrary, they provided the opportunity to define the essential truths of Christian faith, consolidating the roots of a millennial Church. This in-depth new film series produced in Europe explores this amazing story of the witness of the early Christians and the spread of Christianity.

MARY OF NAZARETH is an epic new motion picture on the life of Mary, mother of Christ, from her childhood through the Resurrection of Jesus. This full length feature film about Our Lady, shot in English in High Definition, was filmed in Europe in very authentic locales with outstanding cinematography, a strong cast, and a majestic music score. Actress Alissa Jung gives a very beautiful, compelling and inspired portrayal of Mary. Pope Benedict XVI had the opportunity to screen this film in the Apostolic Palace, and was touched by the portrayal of Mary so vividly captured on film.

MARY OF NAZARETH will become available for sponsored screenings in theaters through Ignatius Press and Carmel Communications beginning October 1, 2013. Don’t miss your chance to bring the life of the Mother of Christ to a theater in your town during this limited engagement!
