## Second Grade Curriculum

| **Jesus Our Life** | The students are prepared for the sacraments of Penance and First Holy Communion through studying the development of salvation history. As students learn about God’s plan of love and mercy, they begin to understand that these sacraments are God’s gift to us and that they too are part of God’s loving plan. Special emphasis is given to preparation for and reception of these sacraments, as well as learning about the Mass. |
| **Creed/Scripture** | Students develop an understanding of the mystery of Christ through age appropriate teachings on Church doctrine and scriptural references as listed below and in the teacher’s manual. |
| **Sacraments** | Students continue to learn that God shows his love and mercy by giving us the sacraments to restore the life of grace. The sacraments emphasized in second grade are the sacraments of Baptism, Penance, and Eucharist. |
| **Christian Living** | Throughout the second grade, students develop their understanding of the dignity of the human person. Students learn to live out their faith and respond to what they learn by forming a moral conscience and by living out their call to justice and service through imitating the life of Jesus. |
| **Prayer** | Throughout the second grade, students continue their development of a prayer life that includes learning the basic traditional Catholic prayers and praying spontaneous prayers. They continue to learn that prayer is talking with God. Special emphasis is given to learning about the Mass as the perfect form of prayer. |
| **Sacramental Preparation** | Students will study the Sacraments of Penance and Holy Communion in preparation to receive them for the first time. They will learn about sin, God’s mercy, confession of sins, reconciliation, the steps to a good confession, and the matter, form, effects, and minister of the Sacrament of Penance. They will also study the Passover, Last Supper, the institution of the Eucharist, transubstantiation, the priesthood, sacrifice, the order and parts of the Mass, personal union with Christ in Holy Communion, Eucharistic devotion, and the matter, form, effects, and minister of the Sacrament of Holy Communion.  
The Sacrament of Penance is studied in chapters 17, 18, 19, 20, and 30.  
The Sacrament of Holy Communion is studied in chapters 22, 25, 27, 28, 30, and 33. |
