

PONTIFICIUM CONSILIUM
PRO FAMILIA

Prot. N. 2015/100-II/21

Vatican City, February 12th 2015

On Friday 26th September 2014, Paul, Sebastian and Gerry from the Jesse Box visited the Pontifical Council for the Family in Vatican to present and receive a blessing for their work with the Jesse Box.

The Jesse Box is a wonderful way to introduce and encourage Family Liturgy, bringing parents and children together around the Bible and supporting the family in the role as domestic church. As a catechetical tool it hold the children's attention allowing the parent, teacher to catechize the children on salvation history using Sacred Scriptures.

It is my prayer that more families discover the love of God and the revelation of His Son Jesus Christ in the Scriptures. I bless the Jesse Box team in their work of evangelizing the family.
