You can once again, or for the first time, be a part of this unique opportunity to reach out to and spiritually inspire fellow parishioners, students, and the surrounding community by teaching the truths of the Catholic faith, and educating about the life and events surrounding this extraordinary saint. You will be able to present this amazing film on the "Big Screen"—right in your own church or school.

**PADRE PIO: Miracle Man** is the winner of the Los Angeles Italian Film Awards prestigious **Audience Award**.

This major feature, a dramatic film biography, beautifully depicts the life of one of the most beloved and, at the same time, controversial religious figures of the 20<sup>th</sup> century. The viewer is drawn into the life of little Francesco Forgione who, even as a child growing up in Italy, had visions of Jesus, Mary and his guardian angel and professed his desire to become a Franciscan friar by the age of ten.

Viewers will be awed and inspired by this holy priest who bore the stigmata – the wounds of Christ. They will be moved by his profound faith and humility, his compassion for the sick, his miraculous healings of mind, body and spirit, and laugh at his quick wit. They will experience his suffering through physical ailments, attacks by the devil and persecution – even from those within the Church. And they will rejoice at the saintly life of this very human being.

This DVD is 214 minutes in length and offers the option of watching the movie in either the original Italian or in the dubbed English or dubbed Spanish versions. There are also English subtitles. You may simply select which options you prefer for your Movie Night presentation from the DVD's on-screen menu.
