

**IGNATIUS NIGHT AT THE MOVIES
PRESENTS
RESTLESS HEART**

After sweeping North America with a sponsored theater screening program beginning in late 2012, followed by a parish screening program, *Restless Heart: The Confessions of Augustine*, is now available through the **Ignatius Night at the Movies** program. This program has proven to be a wonderful and effective way to teach, entertain, and fundraise all at the same time! Hundreds of parishes, shrines, schools and universities across the United States and Canada have already participated in it. This is a marvelous opportunity to partner with Ignatius Press in showing on your own “Big Screen” the exciting, epic motion picture: **RESTLESS HEART**.

Ignatius Press, one of the world’s leading Catholic publishers, is pleased to offer the DVD version of this exceptionally inspirational film as part of this exclusive **Movie Night** package and as an excellent means of **whole-community catechesis and entertainment** as well as an excellent **fundraising tool**.

You can once again, or for the first time, be a part of this incredible opportunity to reach out to and spiritually inspire fellow parishioners, students, and the surrounding community by teaching the truths of the Catholic faith, and getting up close and personal with St. Augustine, Doctor of the Church!

This acclaimed epic film on St. Augustine of Hippo, filmed in Europe, is the first full-length feature movie on Augustine. It uses a historic backdrop to tell the true story of one of the Church’s most beloved and well-known Saints. Its message of sin, conversion, and redemption is as timely today as it was in the 5th century of Augustine. It is the story of a gifted man who pursues fame and fortune without a moral compass - and the dramatic changes that occur in his soul when challenging events lead him to see the light of truth. It also chronicles the collapse of the Roman world and how Augustine laid the intellectual foundations of what became Europe. Along with Augustine, the stories of two other great saints, Monica and Ambrose, are also portrayed.

The DVD set includes the 133-minute theatrical version, and the 203-minute full-length original version, with a 24 page Collector’s Booklet and study guide.

The 133 minute DVD includes the following language tracks: English with English and Spanish subtitles
